

BK

STUDIO

Smashbox Studios is Brooklyn's premier full-service private studio. Located in the heart of Greenpoint, our studio is 4,500 sf, with a full cafe, and unmatched client service. Daylight pours in through multiple skylights directly onto our 45 foot curved cyc with full blackout capability. With onsite equipment & digital and a full-service location department, Smashbox Studios is New York's most exclusive studio for private high-end photo and video productions.
